SEPT 2026

ABOUT_

EGI2026

The annual EGI conference brings together international scientific communities, computing and service providers, European projects, security experts, community

managers, and policymakers. Our community drives research and innovation in data-intensive processing and analytics forward.

ABOUT_

EGI2026

Attendance

Around **300 participants** from various fields

Location

Ghent, Belgium, a city full of history and culture, located right in the middle between Brussels, Antwerp and Bruges
